OPEN SLOTS, AND WHY

Jan 24 · Sound
No trained volunteer left who is under their monthly limit on Jan 24.

Mar 21 · Nursery adult
The only cleared adult left on Mar 21 is from the same household as the adult already in the room, and the two-adult rule needs two households.

Mar 21 · Nursery youth helper
Nursery does not have 2 cleared adults from different households on Mar 21, so no youth helper is placed there.

CHECKED AFTER SOLVING

0 hard-rule violations found by the independent check

219 of 222 slots filled 3 left open, each with its reason

25 of 26 children's rooms with two cleared adults from different households

0 volunteers serve more often than they offered

This schedule applies Redbud Fellowship's own written child-protection policy, as the church entered it. It does not replace that policy, anyone's screening, or supervision on the day. Sample wording only: a church's insurer or denomination reviews its own.

Example from a demonstration.
The church and every person named are invented.
