100	**$122.05**	$12,205.00	25 working days

Ships in: working days after receipt of order and approved drawings.

BASIS OF THIS QUOTATION

Priced from the 3D model supplied. Threads, tolerances and notes are taken from the drawing; where the two differ, the drawing governs and the price may change.

Includes 4 tapped holes.

EXCEPTIONS AND CLARIFICATIONS

Inside corners quoted with a 0.1875 in minimum radius.

TERMS

Net 30 days. Freight not included. Prices hold for the quantities shown, ordered and released as one lot. A change to the model, drawing, material or quantity is requoted. Sample wording only: a shop's own terms, reviewed by its attorney, go here.

R. Tallchief, estimator, Blackfork Fab & Machine

Accepted by, for the customer, and date

Example from a demonstration. The shop, the customer, the part and every price are invented.
